OUR MISSION

PARTNER with our suppliers to offer valued and relevant products and services to meet member purchasing needs.

DELIVER best-in-class service that supports the buying process.

BE the consortium of choice for our New England members.

Welcome new and prospective members of MHEC

I am delighted to introduce you to MHEC through this brochure. In its pages you'll learn of the benefits that really define how we operate and what we offer our members. You'll find it really centers around three key aspects:

1. The **simple** process of purchasing from contracts that have already been researched, put out for public bid, and negotiated to offer our members savings they could not have achieved alone.
2. An experienced staff that is **savvy** about the needs of those who purchase products and services for their organizations. All of our strategic sourcing managers are either *certified public purchasing officers or in the process of achieving that designation.
3. The **diversity** of our portfolio that provides access to over 50 contracts offering products and services from 700+ suppliers.

After you've spent time going through these pages, I invite you to watch and share our [MORE! video](#). It's only three minutes, but it brings to light in greater detail the value of an MHEC membership.

Sincerely,

Michael Di Yeso
MHEC Executive Director

*Massachusetts Certified Public Purchasing Official (MCPPO)

purchasing process

*This makes purchasing simple.
For them.*

The benefits of using our i-buy marketplace:

1. streamlined request for quotes
2. pay by POs, credit cards, or P-cards
3. single-cart checkout-even with multiple suppliers on different POs
4. administrative controls
5. product comparisons
6. search for diverse suppliers
